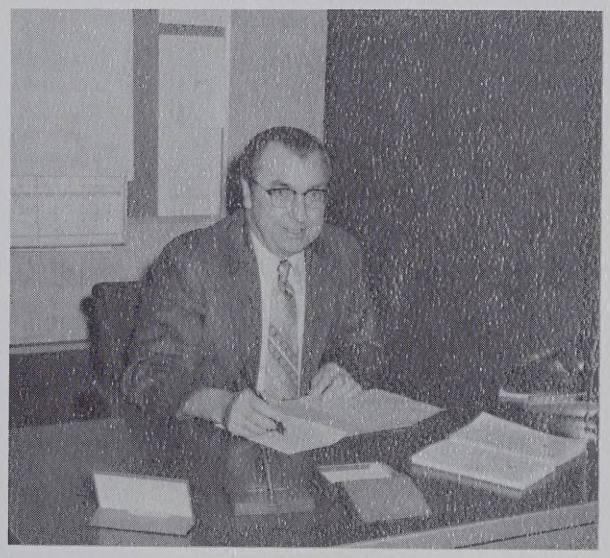
MR. EDWARD C. BENBOW, Principal
McIntosh and DeKalb Junior High



MR. LELAND FEE, Principal
Ashley Building

MR. RICHARD BARKMAN, Assistant Principal
McIntosh Building and DeKalb Junior High

Extensive planning, programing, and perseverance culminated in the opening of DeKalb Junior High School on March 25, 1975. The former Ashley and McIntosh High Schools became junior highs in 1968 when DeKalb High School opened. These two buildings will now become educational facilities for elementary classes. Mr. Fee remains at the Ashley School as elementary principal, while Mr. Benbow and Mr. Barkman assume the responsibilities of the principal and assistant principal of the new junior high.

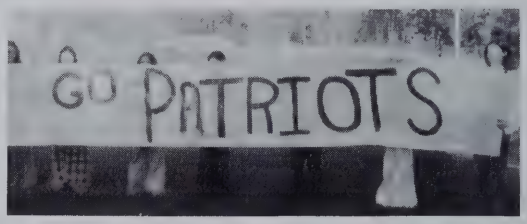
After going through an undefeated schedule as seventh graders, these same boys this year experienced some losses. Coach VanOsdol and the team accumulated eight wins against five losses. Joe Liberatore topped all scorers by racking up 133 points.

STEVE SMITH



Coach Roberts' charges had a highly successful season with ten wins and three losses. They won two four-way-tourneys at Hamilton and the other at Avilla. According to Mr. Roberts this was a great group of boys who were willing to give their best.

Fifty-one points in the first game was the offensive high for the season. McIntosh seventh grade had a ten win and three loss record. The boys execution of plays and enthusiasm was praised by Coach Andrews.

The Ashley seventh grade team had their problems this year. They suffered six defeats while winning three. Coach Wilshere feels they did gain valuable experience that should stand them in good stead for next season.
